- The school is moving toward bringing parents back in with events such as Literacy Night, to be held in November or early December.
- There is an online tutoring app available through Clever called Paper. This app offers individualized tutoring with live feedback that is aligned with teachers' classroom methods.

- We will need volunteers for the Color Run on October 28th. Information will be coming out soon. Volunteers are needed to throw color during the run among other things. This event depends on new volunteer support.
- Representatives were asked to put out reminders to neighborhood groups that tomorrow (Wednesday) is a school holiday, and Thursday is picture day.
- Conference sign-ups will be coming soon from classroom teachers. The official conference day is Oct. 31, but alternate days will be offered.
- Mrs. Miranda plans to present the finalized school budget at the next TPAC meeting.
